

Trinity Action Groups 2024-2025

Article 3: All adults should always do what is best for you.

Article 12: You have the right to an opinion and for it to be listened to and taken seriously.

Focus	Article
Inclusion	In this group we are continuing on the next steps after getting our Inclusion Award. We will talk about it, gather evidence from around the school and do activities that will help our whole school value every single person and group.
Book Worms	The Trinity Book Worms will be responsible for whole school reading spaces (including the playground) and planning reading dens and book nooks in classrooms. We will also create reading displays around the school.
Language Friendly Schools	We will learn about the different languages spoken by children in our school. We will learn some words and phrases in different languages as well as songs. We will learn about the cultures where these different languages are spoken and maybe even try some of their foods.
School council	In School Council, the group will discuss and make decisions about how to improve the whole school. Members will be responsible for listening to ideas or concerns from the children in their class and will feed these back in the TAG sessions for discussion. Some children from the group will represent the school at whole island School council meetings. Sometimes, there will be matters to discuss and important jobs from Mrs McMahon!
e-safety	In the e-safety group we will be building an awareness of e-safety issues and helping to make everyone else aware.
Eco	If you are interested in helping to save the planet and making Trinity School even more eco-friendly, then this is for you. We need your ideas and suggestions to ensure that we all 'do our bit' to reduce waste and conserve energy.
Wellbeing	In the Wellbeing TAG we will be looking at a range of resources/ ideas/ activities that we could implement in school to enhance everyone's wellbeing, including monitoring Zones of Regulation areas and toolkits. We will also be thinking about how we can continue to improve our playtimes and outdoor areas to ensure everyone can express themselves.
Health and safety	The Safety team is a very important group – it will ensure that the school is safe for us to be in.
Talk Detectives	In this exciting TAG, we will be looking at Oracy in our school and training up talk detectives from each class to help support their classmates and teachers.
OPAL- Playground development	Our aim for playground TAG this year is to help keep our playgrounds safe, fun, tidy and organised. To promote friendly play and to think and deliver exciting new playground games for everyone to enjoy.
ASC	Another new TAG that will ensure your voices are heard for After School Club activities.
Trinity Comms	In this new TAG we will be looking at all the ways we communicate with parents. You will write the TAG part of the newsletter and the website. We will also look at Facebook/ social media and see if we can include other new ways of communicating!
