

Year 1

Miss Male

English

- We have been reading a book about dinosaurs.
- They had to write fact file about dinosaurs (stuff that the dinosaurs like).

Science

- The animals came in they were elephant, frog, giraffe, pig, wolf, horse and chicken they left lots of poo (not real) and there was bones, seeds, grass and lettuce we had to wear gloves and chopped it up with lollipop sticks.

Math's

- In math's we have been doing place value we have been doing number bonds and math's challenges in the morning .
- Also they have been learning about parts of a whole

Year 2
learning.

What we have
learnt this
term with Miss
Tomas.

English

In English we have been reading Big bear Little brother, its about a boy who falls down and the bear saves him and when the bear leaves the boy follows him and they go on a journey.

We have been doing split bell diagraphs and learning about double letters on little wandle.

Rocks.

We have learnt about rocks in science. We did Now Press Play after lunch it gave us information about rocks.

English and Art

We made our own hybrid animals, we painted them with watercolours.

The book is about a creature that is trapped in a jar because there are some people that live under neath the shop. All the uncute ones go underground and the cute ones are sold in the shop.

In the end they escape

Year 4

What have we been doing in the past week or so?

What have we been learning in English?

We have been learning about a poem called the Magic Box by Kit Wright.

We have also been learning about expanded noun phrases which is a sentence e.g the lake then you use an expanded noun phrase to change it to a beautiful lake.

We have also been reading a book called How To skin a bear.

Maths

- Column addition and subtraction
- Finding differences
- Doing bar-models
- Renaming
- Number bonds
- Work-books

We have also been doing times tables.

$$+ \quad - \quad \times \quad \div$$

$$9 \times 9 = 81$$

Year 5 learning (Mr Belsey)

Maths-in maths we've been leaning about graphs.

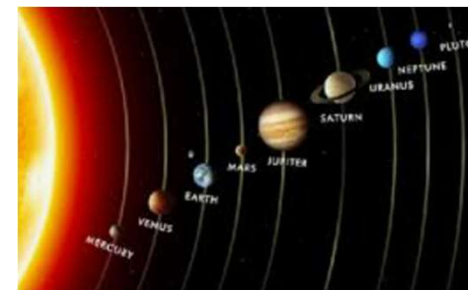

PE-in pe we've been doing football, bike ability and swimming.

Sometimes we do bike ability instead of football.

Year 5 teacher is Mr. Belsey.

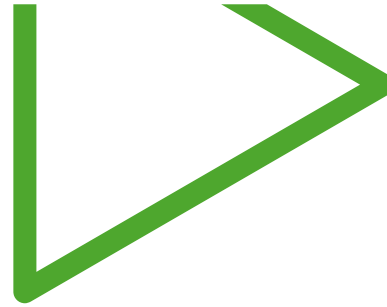

In science we've been learning about space and all the planets, and how the earth is moving.

Learning in year 5(Mrs. Hamon)

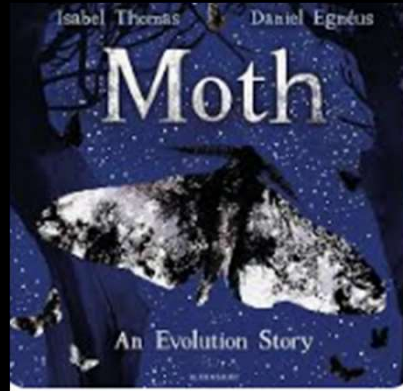

- Mrs Hammon has been teaching us French, music and history.
- French- in French we've been revising how to count to 50.
- History- in history we've been learning about Ancient Greeks, and we've been doing a timeline, comic strips and drawings.
- Music-in music we've learning how to play the recorder and beeing abel to sing and play (livin on a prayer).

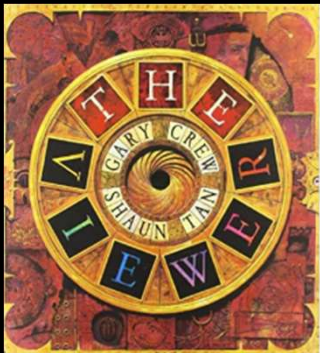

Year 6 learning.

What we have learnt this term with Mrs Flett.

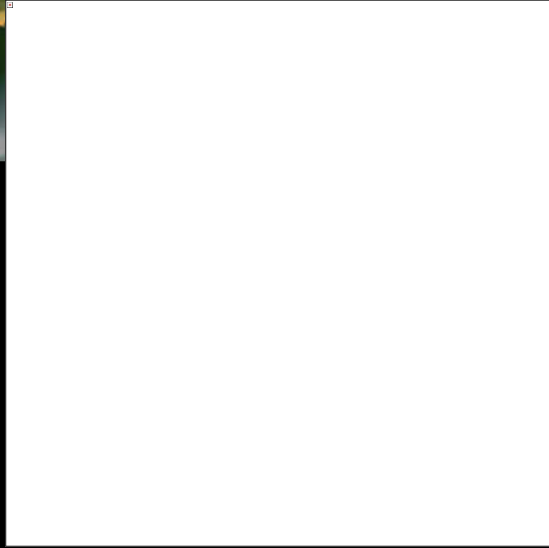

English

In English year 6 have finished The Viewer and wrote about what they thought would happen after the end. They have started a new book called Moth the Evolution story, Moth is about the history and backstory of creatures called peppered moth and how they have changed over time.

Art

In art, Year 6 were taking micro and macro pictures by zooming in and catching bits of detail you can find. We set off into our trios and took pictures of objects that seemed interesting to zoom in on, we generally took pictures of flowers, natural plants, leaves and even a carrot.

o

+

Art

We have been making drawings look furry and putting different expressions on them to make them look realistic. We were looking at the various textures in the drawings in our art books. We designed teddy bears and drew faces and creatures from our imagination.
